Advanced Datacom

Advanced Labelling Tool with PC Connectivity

Rhino™ 6000

Get precision labelling results every time, in less time.

Unmatched labelling power and versatility with PC connection.

Bring the tough, portable DYMO® Rhino™ 6000 to any jobsite – it's packed with time-saving shortcuts for labelling any installation quickly and professionally.

Use RHINO CONNECT™ software to create labels on your computer, and download them to your label printer for even faster labelling on site. The DYMO® Rhino™ 6000 meets all ANSI and TIA/EIA-606-A industry labelling standards. Its exclusive, one-touch "Hot Keys" automatically format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, and vertical and fixed length applications. The DYMO® Rhino™ 6000 also prints 6 barcode types, has 250+ pre-programmed industry symbols and terms, and much more. Works with 32- and 64-bit Windows® XP, Windows Vista® and Windows® 7.

Hard Case Kit
(see back for details)

DYMO® | Rhino™ 6000 features:

1. **Connects to PC via USB cable.** Use RHINO CONNECT™ software to create labels on your PC and download them to the label printer for printing on site
2. **Meets all ANSI and TIA/EIA-606-A** industry labelling standards
3. **Exclusive, one-touch "Hot Keys"** provide shortcuts to size, shape and format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, vertical and fixed-length applications including 5 line print capability
4. **Prints 6 different barcode types** including Code 39 and Code 128
5. **Powerful Serialization –** Built-in wizards for simple and advanced serialization
6. **Symbol library** with more than 250 pre-programmed industry symbols, terms, fractions and punctuation marks
7. **Last-label memory** and storage for up to 1000 of the labels you use most

LABEL APPLICATIONS

Labels that stick and stay stuck.

Priemyselné štítky DYMO® sú odolné – testovali sa na pracoviskách a majú označenie UL. Štítky sa nerozmažú ani nevyblednú a sú vybavené lepidlami s priemyselnou silou, ktoré odolávajú vlhkosti, ultrafialovému žiareniu a extrémnym teplotám. Či už vytvárate štítky podľa štandardov OSHA, ISO a ANSI štítkujete v náročných podmienkach,, priemyselné štítky DYMO® ponúkajú riešenie. Priemyselné štítky DYMO® sú navrhnuté tak, aby ich bolo možné vytvárať výlučne na tlačiarňach Rhino™ a aby sa mohli používať na rôznych povrchoch.

NON-ADHESIVE TAG - RoHS compliant	Length 5.5 m	BLACK ON WHITE	18111 S0718350	–	18113 S0718380	–	–
SELF-LAMINATING - RoHS compliant	Length 5.5 m	BLACK ON WHITE	–	–	–	–	1734821 S0773860

Rhino™ 6000 SINGLE UNIT (BOXED)

Code: S0773780

Box includes:
- Rhino™ 6000 printer
- 24 mm white flexible nylon tape
- Rechargeable lithium-ion battery pack
- AC adapter
- Quick reference guide
- Registration card

Product specifications:
- Runs on included lithium-ion rechargeable battery pack with AC adapter or optional 6 AA batteries
- 1 year warranty + 1 year extra warranty when registering
- Unit weight: 1820 gr

Optional accessories:
- RHINO CONNECT™ Software
- AC adapter Code: S0721430
- Rechargeable lithium-ion battery pack Code: S0899390

Rhino™ 6000 HARD CASE KIT

Code: S0771940

Hard Case Kit includes:
- Rhino™ 6000 printer
- RHINO CONNECT™ Software
- Durable hard carry case
- 24 mm white flexible nylon tape
- 9 mm white vinyl tape
- Rechargeable lithium-ion battery pack
- AC adapter
- USB cable
- Quick reference guide
- Registration card

Product specifications:
- Runs on included lithium-ion rechargeable battery pack with AC adapter or optional 6 AA batteries
- 1 year warranty + 1 year extra when registering
- Unit weight: 2260 gr
